

DR. BYUN IN MEDIA

Philippine American Foundation for the Homeless, 1999

In August of 1999, Ruth Kern, a patient of Dr. Byun's and the author of several national bestselling books on etiquette, asked Dr. Byun if he would participate as a judge in the Fifth Annual Phillipine American Foundation for the Homeless dinner ball and fashion show. Dr. Byun was thrilled and pleased to have participated in such a magnificent evening. You can visit Mrs. Kern's website at www.modernetiquette.com. Mrs. Kern was very pleased to be a patient of Dr. Byun's and very satisfied with the results of her surgery. See for yourself!
